Boilerplate

PDS Health® continues the journey started by Pacific Dental Services® in 1994, with a vision to redefine health care through the integration of dental and medical services. Its approach, centered on the connection between oral health and overall health, aims to create healthier, happier patients and set new benchmarks in the healthcare industry. As a leading provider of integrated healthcare support, the company delivers a broad spectrum of services to dental, dental specialties, and medical providers, enhancing operations and care delivery for clinicians across the U.S. For more information about PDS Health and its vision, visit pdshealth.com.
